

Fuel Price Regulator showing Fuel Surcharge Movement

The following movements in Purchased Diesel price (Note 1), will pre-empt the movement in Fuel Surcharge (Note 2). It will apply from the start of a month and apply for a minimum of 1 month.

Note 1 **Purchased Diesel Price**
 This is the local price paid by Express Freight within Northern Ireland.

Note 2 **Fuel Surcharge**
 This is the percentage that a calculated rate will be multiplied by to determine chargeable revenue at time of generating invoice. It will be shown separately on the bottom of each invoice.

Note 3 **Advance Notification of Surcharge Movement**
 Notification of an oncoming change in surcharge will be given on month end invoices. This will appear as text at the bottom of the invoice beside the invoiced Total, Fuel surcharge, VAT etc

Note 4 **Applicable from / to**
 The surcharge will only be activated at the start of a calander month and apply for a minimum of that month.

Base Price **£0.85** /litre

Fuel Price (Pence / litre)		Fuel Surcharge %
<u>At Least</u>	<u>Less Than</u>	
0.0	85.0	0.00%
85.0	86.0	0.40%
86.0	87.0	0.80%
87.0	88.0	1.20%
88.0	89.0	1.60%
89.0	90.0	2.00%
90.0	91.0	2.40%
91.0	92.0	2.80%
92.0	93.0	3.20%
93.0	94.0	3.60%
		and so on
